**OBJECTORS SIMPAO AND
CRUZ' REQUEST TO BE HEARD
IN RE MOTION TO SUBMIT
SUPPLEMENTAL AUTHORITY**

ORIGINAL

1 **COME NOW** Objectors Mary Grace Simpao and Janice Cruz in response to this Court's
2 order of October 15th, 2007 allowing other parties to comment upon the motion to submit
3 supplemental authority made by Objectors on October 4th 2007. Objectors ask the Court
4 for the opportunity to comment upon the authority as well.

5 In their motion, Objector's invited the Court's attention to 26 CFR 301.6212-(a)
6 and (b) and (c). Objectors did not provide the Court with their analysis of the section nor
7 how they believe it to be relevant other than the issue of provision of notice to the class.¹
8 Objectors therefore ask for the same or similar opportunity granted others.

21 ¹ This Court may find Federal Rule of Appellate Procedure 28(j) useful on the point. "If
22 pertinent and significant authorities come to a party's attention after the party's brief has
23 been filed--or after oral argument but before decision--a party may promptly advise the
circuit clerk by letter, with a copy to all other parties, setting forth the citations. The letter
must state the reasons for the supplemental citations, referring either to the page of the
brief or to a point argued orally. The body of the letter must not exceed 350 words. Any
response must be made promptly and must be similarly limited."
